### **Some things to remember during judging**

- 1. DO NOT SIT, LEAN, OR REST ON THE TABLES.**
- 2. Do not leave your project during judging times. Unless you need to go to the restrooms and if so please go as quickly and quietly as possible.**
- 3. Please do not leave any personal items unattended.**
- 4. If judging is completed for you or if you are waiting to speak to the judges please be courteous of those around you still being judged.**

**Thank you.**
